## Lodging Tax Funds - General Information

The City of Cle Elum imposes a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. The committees' purpose is to advise and recommend to the legislative authority of the city how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

### Uses According to Law:

According to State Statute funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C. Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

### Definitions included in state law which should be considered in any application requesting funding include:

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

### Review Process:

The Committee will review grant applications and award lodging tax funds for special events and festivals.

The Committee will compile the score sheets, rankings, and funding recommendations for further consideration.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information.

**Local Policy on Disallowed Uses:**

The Committee has determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

**Application Definitions:**

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

**Date-specific** is an event or project which occurs over less than one month.

**Matching Funds** is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

**New Projects/Events** are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

**Ongoing Projects/Events** are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

**Partnerships** are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

**Project Budget** is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

**Seasonal** means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

**Self-Sustaining** is being able to provide for your own needs without the assistance of grant funds.

**Supports County as a Tourism Destination** means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in Kittitas County, etc.

**Year-round** means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

- B. To a place fifty miles or more one way from their place of residence or business for the day or staying overnight; or
- C. From another country or state outside of their place of residence or their business.

A report form will be provided as part of the contract for receiving funds. We ask that you provide this information within 60 days after your event is complete once you have critiqued your event.

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

**Applicant Categories and Eligibility:**

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may only apply for funding from one category per year. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first three years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

## City of Cle Elum – LTAC Grant Request

**Submitted by:** Cle Elum Downtown Association

**Project Title:** Placer.ai Visitor Intelligence Subscription

**Amount Requested:** \$11,479.80

**Date:** July 28, 2025

We respectfully request \$11,479.80 in funding from the City of Cle Elum Lodging Tax Advisory Committee (LTAC) to cover the first year of a two-year subscription to Placer.ai, a location intelligence platform that will provide Cle Elum with critical insights into visitor behavior, origin markets, seasonal traffic, dwell time, and downtown foot traffic trends. These insights will guide tourism marketing strategies, help evaluate the impact of local events, and support long-term economic development through data-driven decision-making.

This discounted rate is part of a two-year locked-in contract, with Year Two billed at \$12,627.78. At this time, we are seeking funding for Year One only.

### Project Purpose and Alignment with LTAC Goals

As a gateway to the Cascades and a destination for outdoor enthusiasts, Cle Elum relies heavily on tourism for economic activity. However, we currently lack precise, real-time data on where our visitors come from, how long they stay, and how they interact with our community.

Placer.ai provides anonymized mobile device data to reveal these patterns—empowering the City of Cle Elum and its tourism stakeholders to:

- Better understand visitor demographics
- Tailor marketing to high-potential overnight markets
- Quantify the economic impact of tourism events
- Support tourism-dependent businesses with actionable data
- Strategically grow lodging tax revenues

These goals directly support the City’s use of lodging tax funds, which are intended to promote overnight tourism and strengthen the visitor economy.

## **Project Scope & Deliverables**

- Access to the Placer.ai platform for the Cle Elum city area and surrounding region
- Monthly reports showing:
  - Visitor volume, origin markets, and length of stay
  - Downtown Cle Elum foot traffic trends
  - Pre- and post-event visitor comparison
- Dashboards to share data with stakeholders and business partners
- Training and support included in the subscription

## **Budget**

- Placer.ai Subscription – Year One (discounted rate): \$11,479.80
- Placer.ai Subscription – Year Two: \$12,627.78
- Total Two-Year Contract Value: \$24,107.58

We are requesting LTAC funding for Year One only at this time. Continued access to the platform beyond Year One will be contingent on funding availability and demonstrated success.

## **Evaluation & Reporting**

We will provide LTAC with a mid-year and year-end report outlining:

- Changes in visitor volume and demographics
- Event impact analysis (e.g., Pioneer Days, Christmas in Cle Elum, etc.)
- Marketing strategy adjustments based on data
- Recommendations for Year Two and future planning

## **Conclusion**

Tourism is a vital pillar of Cle Elum's economy. With the support of the LTAC, we can bring advanced analytics to our tourism efforts, ensuring that lodging tax dollars are invested

strategically and transparently. The \$11,479.80 requested for Year One will lay the foundation for data-driven growth, improved visitor engagement, and long-term economic benefits for the Cle Elum community.

We appreciate your consideration and welcome the opportunity to present this proposal in more detail.

Sincerely,

A handwritten signature in black ink that reads "Jordan Peterson". The signature is fluid and cursive, with the first name "Jordan" and last name "Peterson" clearly legible.

#### **X.XX.XXX Purpose.**

It is the purpose of this code to provide for the issuance of special event permits to regulate events on the public rights-of-way, public property, and on private property if the event will impact the delivery of governmental services, in the interest of public health, safety and welfare of the city; and to provide for fees, charges and procedures required to administer the permit process.

#### **X.XX.XXX Definitions.**

"Business" means and includes any activity which involves sale of any goods or services, whether conducted for profit or not and regardless of by whom conducted.

"Event organizer" means any person who conducts, manages, promotes, organizes, aids, or solicits attendance at a special event.

"Expressive activity" includes conduct including but not limited to marches, rallies or gatherings, the sole or principal object of which is the expression, dissemination or communication by verbal, visual, literary or auditory means of opinion, views or ideas and for which no fee or donation is charged or required as a condition of participation in or attendance at such activity. For purposes of this chapter, expressive activity does not include sports events, fundraising events, or events the principal purpose of which is entertainment.

"Responsible official", except where otherwise specified within this chapter, shall mean the city administrator or their designee.

"Sidewalk" includes any and all structures or forms of street improvement included in the space between the street margin and roadway and specifically includes curbs or other delineation for pedestrian travel.

"Sign" means any sign, pennant, flag, banner, inflatable display, or other attention-seeking device.

"Special event" means any activity which is to be conducted on public property or on a public right-of-way, or any event held on private property which would:

1. Have a direct significant impact on traffic congestion or traffic flow to and from the event over public streets or right-of-ways; or
2. Substantially impact public streets or right-of-way near the event; or
3. Significantly impact the need for emergency services, such as police, fire or medical aid; or
4. Is to be held in the city's Downtown Commercial Zone and/or involves the sale of tickets for attendance or is open to the general public with attendance expected to exceed more than 50 people.

Any event on private property which involves an open invitation to the public to attend, or an event where the attendance is by private invitation of 50 or more people, is presumed to be an event that will have a direct significant impact on the public streets, right-of-way or emergency services, and therefore a "special event." Special events might also include, but are not limited to, fun runs/walks, athletic competitions, auctions, bike-a-thons, public fundraisers, parades, festivals, shows or exhibitions, outdoor film/movie events, block parties and fairs, trade shows, arts and crafts shows, home shows, recreational vehicle shows, boat shows, and antique shows.

"Special event permit" means a permit issued under this chapter.

"Special event venue" means that area for which a special event permit has been issued.

"Street" means a way or place of whatever nature publicly maintained and open to use of the public for purposes of vehicular travel. Street includes highway.

"Tax-exempt nonprofit organization" means an organization that is exempted from payment of income taxes under Section 501 of the Internal Revenue Code.

**Commented [SC1]:** I think this is Yakima-specific terminology. What language is Cle Elum using for the downtown?

"Vendor" means any person, association, group, partnership, corporation or firm selling goods, food, beverages or services within a special event venue.

"Use" shall mean to construct, erect, or maintain in, on, over or under any street, right-of-way, park or other public place, any building, structure, sign, equipment or scaffolding, to deface any public right-of-way by painting, spraying or writing on the surface thereof, or to otherwise occupy in such a manner as to obstruct the normal public use of any public street, right-of-way, park or other public place within the City, including a use related to special events.

**X.XX.XXX Special event permit required; authority of responsible official.**

A. Except as provided elsewhere in this chapter, a special events permit issued by the appropriate council committee must be obtained from the city to conduct, promote, or manage a special event.

B. All events planned to take place on public property must submit an event application and obtain a special events permit.

C. An event application is also required for events on private property if they have the potential to substantially impact the normal operations of the city. This includes, but is not limited to, effects on pedestrian traffic flow, parking availability, vehicle traffic flow, street access (such as the need for street closures), or any potential risk to public safety.

Substantial, in this context, refers to any impact that is significant enough to noticeably alter or disrupt the normal operations of the city in more than a temporary or minor way. This includes but is not limited to causing delays, congestion, or increased demand on city resources, services, or infrastructure, and necessitating additional planning, resources, or measures to maintain public safety and order. The duration of the event may also be a factor in determining whether the impact is substantial.

**X.XX.XXX Fees, cost recovery for special events; security deposit.**

**A. Application Fee**

A nonrefundable application fee set forth in the City of Cle Elum master fee schedule adopted by city council via resolution must be submitted with any special event permit application. Any event application submitted less than ~~four weeks~~[30 Days](#) before the scheduled event is subject to an additional late fee set forth in the City of Cle Elum master fee schedule adopted by city council via resolution. The application fee shall not be charged for an application to conduct an expressive activity. [or any other exemptions outlined in this chapter.](#)

**B. City Services Permit Fee.**

Upon approval of a special event permit application, the Finance Director or other designated official should provide the applicant with a statement of the estimated cost of city services, equipment and materials used or provided by city in providing traffic control and management for parades and vehicle events, and permit fees.

The City Services Permit Fee shall be calculated and assessed as follows:

1. Upon receipt of a special event application for comment and approval, the head of each city department shall provide an estimate of costs expected to be incurred by the respective department. By way of illustration, and without limitation, personnel services provided by affected city departments include, but are not limited to, services such as police escorts and traffic control. Costs of such services are called “event management personnel costs”. Each departmental personnel activity required for the special event shall be itemized, showing hourly rate and total cost. The “total event management personnel costs to the city” shall be the sum of each department’s personnel costs.
2. Nonprofit applicants shall pay fifty percent (50%) of the costs of the personnel services provided by the city. For-profit applicants will pay one hundred percent (100%) of the total event management personnel costs.
3. The Finance Director [or other designated official](#) shall require payment of fees, or a reasonable estimate thereof, at the time the completed application is approved. The special event permit will not be issued until the City Services Permit Fee is paid in full.

C. Security Deposit.

Except for an application for a permit for a special event protected under the First and Fourteenth Amendments of the US Constitution or other events exempted from fees as described in this section, each application for a special event permit shall be accompanied by a security deposit. The security deposit shall be in an amount the Finance Director [or other designated official](#) and heads of relevant City departments determine is necessary and appropriate to defray costs of cleanup, repair and/or restoration based upon:

1. The number of persons expected to attend or participate in the event;
  2. The type or nature of the event;
  3. The number and type of vendors participating in the event;
  4. Whether alcohol will be provided, served or consumed at the event venue; and
  5. Any other factor deemed relevant to determine the amount of deposit based upon reasonably foreseeable costs of cleanup, repair and/or restoration.
- (1) Payment of Funds to Be Used for Security Deposit.  
Payment of funds to be used for security deposit shall be by cash or certified check.
  - (2) Deposit of Funds.  
Funds received from the applicant for security deposit shall be receipted by the city and deposited in an appropriate fund.
  - (3) Refund of Security Deposit.  
Subject to compliance with the following conditions, funds held by the city as a security deposit shall be refunded to the applicant in accordance with applicable payment procedures of the city:
    - (a) Applicant has complied with all requirements of the permit;
    - (b) Applicant has cleaned, repaired and restored the site following the conclusion of permitted event to the condition existing prior to the event, reasonable wear and tear excepted, to the satisfaction of the Public Works Director or designee.
  - (4) Use of Funds in Security Deposit by City.  
In the event applicant fails to comply with the approved cleanup plan included within the permit and/or damage to city property or facilities has occurred on the event site

attributed to participants in the event, or the event coordinator, the Public Works Director, or designee, shall use reasonable efforts to notify the applicant that the city will proceed to clean, repair and restore the subject site and facilities, and thereupon authorize city personnel to conduct such cleanup and restoration. The cost of such city cleaning, repair and restoration shall be computed using the hourly rate of each city employee (with overtime rate, as applicable) multiplied by the hours worked by each employee, and the hourly rate for city equipment used for the cleanup, repair and restoration multiplied by the number of hours such equipment was used and any materials or supplies. Costs incurred by the city also include the costs of any third-party contractor retained to conduct or assist with such cleanup, repair or restoration. City will document its costs incurred in cleanup, repair and restoration and deduct from the security deposit the total amount incurred by the city for such cleanup, repair and restoration. In the event applicant fails to comply with any of the requirements of the permit, any costs incurred by the city resulting from such noncompliance shall be documented and deducted from the security deposit by the city. The city shall thereupon request a refund of the remaining balance of the security deposit to be processed and paid to the applicant and shall provide the applicant with a copy of the document showing city costs incurred.

D. Recovery of Excess Costs—Responsibility of Applicant.

The applicant shall be responsible for all cleanup, repair and restoration required in this code, the approved permit and cleanup plan, and any other costs incurred by the city resulting from the applicant's failure to comply with any of the requirements of the permit. In the event city costs associated with cleanup, repair and/or restoration of the site or applicant's failure to comply with any of the requirements of the permit exceed the amount of the security deposit, applicant shall pay the excess amount to the city within fourteen days, and the city reserves the right to seek recovery of such amounts from any and all responsible parties, including but not limited to the applicant.

**2. Unfinished Business**

a. [Park Reservations](#)

Steven gave an update on the park reservations. He stated he'd like a simple online form on the city's website that would include City Park, Centennial Field, Fireman's Park, Memorial Ball fields, Wye Park for reservations. Steven will have more information at the next meeting.

b. [Update Lodging Tax Application](#)

The committee is waiting on updating the Lodging Tax Application until after the county updates theirs so they are more aligned.

c. [CEDA Placer Labs, Location Intelligence Software 2025 Lodging Tax Fund Application](#)

Steven will talk with Amy McGuffin and get back together with the committee. The committee wants to make sure that this would be a covered expense through lodging tax.

d. [Event Code](#)

Points of discussion:

- The detailed description needs to be clarified, possibly by an example.
- Onsite security, wristbands, this information should be in the application packet and not the code.
- Expand who can approve events from the Mayor and designee.
- Does the fire chief or chief of police need to know parade routes?
- For handing out candy, maybe capitalize HAND OUT, so people understand this is

mandatory.

- Who has revoking authority? Mayor or designee and events committee?
- Penalties would need to be enforced by Code Enforcement. This would not be a criminal offense.

Steven Cook will make the edits and present the document at the next meeting.

### 3. New Business

**MOTION : 3 yes 0 no.**

- c. [Fee Schedule Suggested Updates](#)

When stating how many days ahead fees need to be paid, it should state 60 days or less. The code will need to be double-checked. The fee schedule will need to be updated at the next Council Meeting.

- d. [Horse Park/Baseball Park Event Packet Required - Discussion](#)

Discussion was had regarding the Horse Park and whether they should apply for one Event Packet and list all events for the entire season so the police and fire are aware of the activity and number of people who would be attending. They talked about having a discussion with Wendy at the Horse Park as the next step.

The committee also discussed the number of people that attend different events at the ballpark, senior center, horse park and if this causes concern regarding traffic control and event management.

- e. [Lodging Tax Fund Balance - Update](#)

The 2026 beginning fund balance is projected to be lower than previous years. The committee should be mindful of the bottom line. There has been some bigger funding in the last couple of years for the skate park, visitor center, recreation center, etc. It was discussed

Nomination Letter  
Judge Paul P. Pangrazi Memorial Service Award  
City of Cle Elum

September 16, 2025

To the Honorable Mayor and City Council,

It is my honor to nominate Bev Gonyea for the 2025 Judge Paul P. Pangrazi Memorial Service Award. Bev is the very definition of a community-minded citizen—humble, hardworking, and always willing to serve. She embodies the same spirit of selfless dedication that Judge Pangrazi displayed throughout his life of service.

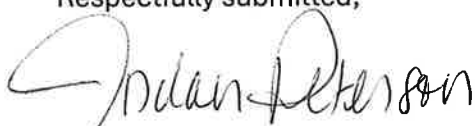

Bev is not someone who seeks the spotlight or asks for recognition. Instead, she quietly and consistently shows up, ready to do whatever is needed to make Cle Elum a better place. She is the person you'll find behind the scenes at community events, making sure the details come together seamlessly. She is the one who doesn't hesitate to roll up her sleeves, pick up trash, plant flowers, organize supplies, or lend a hand with the "dirty work" that ensures our community looks welcoming and cared for. For those who benefit from her efforts, it is nothing short of generosity in action.

A proud Rotarian, Bev lives out the values of "service above self" every day. She gives her time, energy, and care without hesitation or expectation of thanks. Her selflessness is genuine, and her quiet reliability has made her an anchor of support in countless projects and initiatives. She has volunteered on community cleanup days, assisted with local fundraisers, supported events that promote arts and culture, and been a steady presence in Rotary-led service projects that improve the daily lives of Cle Elum residents. While others may be recognized on stage, Bev is often working just off to the side—ensuring that everything runs smoothly, beautifully, and with heart.

Her service has made a lasting difference in Cle Elum, not only in the way our community looks, but in the spirit of togetherness and pride she inspires. Bev leads by example, showing that true leadership doesn't always come with a title or recognition, but through humility, dedication, and a willingness to do the small things that add up to something great. Her actions remind us all that meaningful change often comes from consistent, quiet effort rather than grand gestures.

For these reasons, and in recognition of her unwavering dedication to our community, I wholeheartedly nominate Bev Gonyea for the Judge Paul P. Pangrazi Memorial Service Award. She exemplifies the best of Cle Elum: quiet strength, genuine kindness, and a commitment to making this a wonderful place to live. Bev's lifelong service reflects the values of integrity, generosity, and civic responsibility that this award was created to honor, and she is truly deserving of this recognition.

Respectfully submitted,

Nomination for the 2025 Judge Paul P. Pangrazi Memorial Service Award

Honorable Mayor and City Council,

I would like to nominate Bev Gonyea for this award. We first met Bev when she was handpicked as a mentor for my young daughter through the Youth Mentor Program. My daughter, at 7 years old, had lost her grandma who she spent time with everyday. Bev came and played games with her and spent quality time with her every week for years. Since that program ended Bev has continued a committed mentorship and friendship to not only my daughter, but our whole family.

During these years, I have known Bev to be an upstanding community member who volunteers in numerous places, even substitute teaching at the school knowing they need help, donating blood, her commitment to Rotary club, teaching yoga, community garden, teen center, senior center, following up on people and standing in the gap for the rest of us reliably. Bev is a consistent giver to this community. When she hears of something going on, she looks to see how she can help.

She is a truly community-minded citizen who's contribution to our city and surrounding area is above and beyond.

In this way, I would like to nominate Bev Gonyea for this award.
